REPORT OF INDEPENDENT AUDITORS

Board of Directors Woodwell Climate Research Center, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of Woodwell Climate Research Center, Inc., which comprise the statements of financial position as of June 30, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Woodwell Climate Research Center, Inc. as of June 30, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of research program expenses are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated November 5, 2021, on our consideration of Woodwell Climate Research Center, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Woodwell Climate Research Center, Inc.'s internal control over financial reporting and compliance.

Notes to Financial Statements

YEARS ENDED JUNE 30, 2021 AND 2020

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The financial statements have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles. Under this basis, revenue is recognized when earned and expenses are recognized as incurred.

Financial Statement Presentation - Financial statement presentation follows the recommendations of U.S. generally accepted accounting principles in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC), *Not-for-Profit Entities - Presentation of Financial Statements*. Under those principles, Woodwell Climate Research Center, Inc. (the Center) is required to report information regarding its financial position and activities according to two classes of net assets - net assets without donor restrictions and net assets with donor restrictions. The Center also distinguishes between donor restrictions that are temporary and those that are perpetual in nature.

Cash and Cash Equivalents - Cash consists of monies held in demand deposit and money market accounts, unless designated for long-term purposes. Cash equivalents are all highly liquid, short-term investments with initial maturities of three months or less when purchased and are stated at cost which approximates market value.

Promises to Give - Unconditional promises to give expected to be collected within one year are reported at net realizable value. Unconditional promises to give expected to be collected in future years are initially recorded at fair value using present value techniques incorporating risk-adjusted discount rates applicable to the years in which the promises are received. Amortization of the discount is included in contribution revenue. An allowance for uncollectible promises to give is determined by management based upon historical experience, an assessment of the current economic environment, and analysis of subsequent events. As of June 30, 2021 and 2020, all promises to give were considered fully collectible and therefore no allowance for uncollectible amounts was necessary.

Investments - Investments consist of amounts held in money market accounts and short-term investment funds and amounts invested in fixed income, equities, and mutual/exchange-traded funds, which are carried at fair value, generally as determined by published market prices. Income earned is derived from interest, dividends and changes in fair value. Unrealized gains (losses) resulting from increases (decreases) in fair value of securities held as well as the net realized gains (losses) arising from sales of securities are included in investment income. The Center's investments are pooled, and the allocation of income is tracked on a unitized basis. The Center distributes a proportional amount of investment income based on a total return policy.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property and Equipment - Property and equipment are recorded at cost. Property and equipment with a cost of \$3,000 or greater and having an expected useful life of two years or longer are capitalized. Depreciation and amortization are provided on a straight-line basis over the estimated useful lives of the assets or, where applicable, the terms of the respective capitalized lease agreements, whichever are shorter. The cost of property and equipment retired or disposed of is removed from the accounts along with the related accumulated depreciation or amortization, and any gain or loss is reflected in income.

Revenue Recognition - Revenue is derived from both exchange transactions and contribution transactions. Revenue from exchange transactions is recognized when control of promised services is transferred to customers, in an amount that reflects the consideration we expect to be entitled to in exchange for those services. Exchange transactions generally relate to contracts for which the related services are considered transferred over time as costs are incurred. Payments are generally required in advance and are reported as deferred contract revenue until the related revenue is recognized. Unconditional contributions are recognized upon receipt of cash or other assets, or when a donor promises to transfer cash or other assets in the future. Conditional promises to give, that is, those with a measurable performance or other barrier and a right of return or release, are not recognized until the conditions on which they depend have been substantially met.

Contributions - Contributions received are reported as increases in net assets without donor restrictions unless received with donor stipulations that require the assets be used for specific purposes or in specific time periods. All donor-restricted contributions are reported as an increase in net assets with donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Grants and Similar Agreements - Most grant agreements are accounted for as contribution transactions. When an agreement includes both a barrier and either a right of return of assets to the resource provider or a right of release from obligation by the resource provider, the contribution is considered to be conditional. Amounts received under conditional transfers are reported as a liability (refundable advance) and recognized as contribution revenue only when the conditions are met. The Center also derives revenue from cost-reimbursable federal grants, contracts and cooperative agreements, which are conditioned upon certain performance requirements, compliance with federal statutes, and the incurrence of allowable qualifying expenses. Those conditions are considered to have been met and revenue is recognized when the Center has incurred expenditures in compliance with specific grant or contract provisions.

Functional Allocation of Expenses - The costs of providing the various programs and other activities of the Center have been summarized on a functional basis in the statements of activities and functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Salaries and fringe benefits are allocated based on employee time and effort. Common costs such as occupancy, depreciation and the like are allocated prorata based on total costs incurred.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

New Accounting Pronouncement Adopted - During the year ended June 30, 2021, the Center adopted the provisions of Accounting Standards Update 2014-09, *Revenue from Contracts with Customers* (Topic 606). Topic 606 prescribes a single model for revenue recognition, with a set of principles to be used for determining when revenue should be recognized, including performance obligations in the contract, estimating the amount of variable consideration to include in the transaction price, and allocating the transaction price to each separate performance obligation. It also requires expanded disclosures about the nature, amount and timing of revenues and cash flows. The adoption of Topic 606 did not have a material impact on the Center's financial statements.

NOTE 2. ORGANIZATION AND TAX STATUS

Founded in 1985, the mission of Woodwell Climate Research Center, Inc. (formerly The Woods Hole Research Center, Inc.) is to advance scientific discovery and seek science-based solutions for the world's environmental and economic challenges through research and education.

The Center (a Massachusetts nonprofit corporation) is exempt from Federal and Massachusetts income taxes under Section 501(c)(3) of the Internal Revenue Code and Chapter 180 of the Code of the Commonwealth of Massachusetts, respectively, as a publicly supported organization. The Center is, however, subject to tax on net profits generated by activities defined as unrelated business activities under applicable tax law. To date, the Center has not engaged in such activities. The Center's Form 990, *Return of Organization Exempt from Income Tax*, for the years ended June 30, 2018 through 2020 are subject to examination by the Internal Revenue Service (IRS), generally for three years after they were filed.

NOTE 3. LIQUIDITY AND AVAILABILITY OF RESOURCES

As part of the Center's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. In addition, the Center invests cash in excess of its current requirements in a portfolio of investments designed to maximize long-term earnings with acceptable risk to investment principal. The Center's Board has designated \$1,802,488 to function as an endowment, and the Center generally budgets an annual spending rate up to 4% of total endowment investments. However, in the event of unanticipated liquidity needs, the Center's Board could make available all or a portion of the amount currently designated as endowment. The Center also has the ability to draw upon an available line of credit in the amount of \$350,000.

NOTE 3. LIQUIDITY AND AVAILABILITY OF RESOURCES (CONTINUED)

The following table represents the Center's financial assets available to meet cash needs for general expenditures within one year of June 30, 2021 and 2020. Since over 50% of the Center's expenditures are generally funded by donor-restricted contributions, the related assets are considered available to meet general expenditures.

	2021	2020
Total assets at end of year	\$ 35,020,483	\$ 27,004,911
Less nonfinancial assets		
Prepaid expenses	(288,969)	(234,982)
Net property and equipment	(4,794,283)	(5,067,728)
Beneficial interest in real estate trust assets	(212,651)	(212,651)
Total financial assets at end of year	29,724,580	21,489,550
Less amounts unavailable for general expenditures		
Amounts held in trust for debt retirement	(52,331)	(49,666)
Contributions receivable due in more than one year	(2,256,617)	(262,413)
Endowment investments	(8,702,468)	(7,061,933)
Add estimated amount available for appropriation	348,000	282,000
Total financial assets available for general		
expenditures within one year	\$ 19,061,164	\$ 14,397,538

NOTE 4. CONTRIBUTIONS, GRANTS AND CONTRACTS RECEIVABLE

Contributions, grants and contracts receivable as of June 30, 2021 and 2020, are as follows:

	2021	2020		
Contracts receivable	\$ 133,895	\$ 271,299		
Grants and contributions receivable				
Due in less than one year	4,152,265	2,641,896		
Due in one to five years	2,313,716	273,500		
	6,465,981	2,915,396		
Less discount to net present value	(57,099)	(11,087)		
	6,408,882	2,904,309		
	\$ 6,542,777	\$ 3,175,608		

Grants and contribution receivables due after one year have been discounted to their net present value using a discount rate of 2.5%.

Conditional promises receivable as of June 30, 2021 total \$7,576,155, consisting of unexpended U.S. Government grant awards.

NOTE 5. CONTRACT BALANCES

The timing of billings, cash collections, and revenue recognition result in contract assets and contract liabilities associated with revenue from exchange transactions. Contract assets consist entirely of trade accounts receivable, which are recognized only to the extent it is probable that the Center will collect substantially all of the consideration to which it is entitled in exchange for the services that will be or have been transferred. These amounts are included with other contributions, grants and contracts receivable reported in the statements of financial position. Contract liabilities consist entirely of deferred revenue that results when the Center receives advance payments from customers before revenue is recognized. Balances in these accounts as of the beginning and end of the years ended June 30, 2021 and 2020 are as follows:

	6/30/21			6/30/20	6/30/19		
Contracts receivable	\$	133,895	\$	271,299	<u>\$</u>	19,228	
Deferred contract revenue	\$	681,663	\$	318,493	\$	576,861	

NOTE 6. INVESTMENTS

Investments consist of amounts held in cash equivalents, equities and fixed income securities. The original cost and fair values of investments are as follows:

	2021	2020
Cost	\$ 7,628,259	\$ 6,962,571
Accumulated unrealized gain	2,706,988	1,421,291
	10,335,247	8,383,862
Accrued interest and dividends	19,242	19,844
	\$ 10,354,489	\$ 8,403,706

Investments are held in endowment, quasi-endowment or other categories as described below.

	2021	2020
Board-designated endowment	\$ 2,219,261	\$ 1,802,488
Unappropriated earnings on permanent endowments	2,703,728	1,485,166
Donor-restricted permanent endowments	3,779,479	3,774,279
	8,702,468	7,061,933
Net other investments	1,652,021	1,341,773
Total investments	\$ 10,354,489	\$ 8,403,706

NOTE 6. INVESTMENTS (CONTINUED)

Net investment return consisted of the following for the years ended June 30, 2021 and 2020:

		2021	2020		
Interest and dividends	\$	185,814	\$	219,828	
Net appreciation	•	1,843,797	•	316,060	
Less investment fees		(58,922)		(53,751)	
	\$	1,970,689	\$	482,137	

NOTE 7. FAIR VALUE

U.S. generally accepted accounting principles related to Fair Value Measurements establish a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that inputs that are most observable be used when available. Observable inputs are inputs that market participants operating within the same marketplace as the Center would use in pricing the Center's assets or liabilities based on independently derived and observable market data. Unobservable inputs are inputs that cannot be sourced from a broad active market in which assets or liabilities identical or similar to those of the Center are traded.

Level 1 - Valuation based on quoted market prices in active markets for identical assets or liabilities.

Level 2 - Valuation based on quoted prices for similar assets or liabilities, or inputs that are observable, either directly or indirectly, for substantially the full term through corroboration with observable market data.

Level 3 - Valuation based on inputs that are unobservable and reflect management's best estimate of what market participants would use in estimating fair value.

All of the Center's financial investments were measured at fair value on a recurring basis as of June 30, 2021 and 2020 using Level 1 inputs, except for investments in fixed-income securities, for which the fair values were measured using Level 2 inputs. The fair values of short-term investment funds, equities, mutual funds and exchange-traded funds were based on quoted market prices as of each June 30. The fair values of fixed-income securities were estimated based on yields and maturities of similar securities. The Center's liability under charitable gift annuities was measured at fair value on a recurring basis as of June 30, 2021 and 2020 using Level 2 inputs, based on market interest rates and estimated life expectancies of the annuitants. There have been no changes to the valuation methodologies used at June 30, 2021 and 2020.

NOTE 7. FAIR VALUE (CONTINUED)

Inputs used to determine the fair values of investments measured on a recurring basis at June 30, 2021 and 2020, by investment class, are as follows:

			Significant						
			Quo	ted Market	(Other	Significant		
			Price for Observable			ervable	Unobservable

NOTE 8. PROPERTY AND EQUIPMENT

Property and equipment as of June 30, 2021 and 2020 consists of the following:

	2021	2020
Land	\$ 517,571	\$ 517,571
Building and improvements	11,107,216	11,111,041
Furniture and equipment	1,856,802	2,047,333
	13,481,589	13,675,945
Less accumulated depreciation and amortization	(8,687,306)	(8,608,217)
Net property and equipment	\$ 4,794,283	\$ 5,067,728

NOTE 9. BENEFICIAL INTEREST IN REAL ESTATE TRUST ASSETS

The Center entered into a joint venture agreement with an unrelated third party through which a small portion of land acquired in connection with the Ordway Campus was contributed by the Center and a similar parcel of land was contributed by the joint venturer. The property was placed in trust, after which the joint venturer gifted his interest in the property to the Center. The carrying value of the Center's interest in the Trust was \$212,651 at both June 30, 2021 and 2020.

NOTE 10. LOANS PAYABLE

Financing of Headquarters Building - During the year ended June 30, 2003, the Center completed construction of and placed into service a new headquarters building (the Ordway Campus) in Falmouth, Massachusetts. To finance the construction, the Center raised restricted contributions from the general public, designated a portion of unrestricted net assets to be used for the campaign, and entered into a loan agreement with the Massachusetts Health and Educational Facilities Authority (MHEFA) for a total loan amount of \$2,795,000. That loan agreement was amended during the year ended June 30, 2010, and the Center borrowed an additional \$603,900 from MHEFA to help finance improvements made to an adjacent building (the Carriage House).

The Center obtained a \$2.6 million direct pay letter of credit to provide security for the MHEFA loans, for which it pays an annual fee equal to 2.00% of the total amounts outstanding on the MHEFA loans. The loans require level annual principal payments and interest on the unpaid principal accrues and is payable monthly at a variable rate, 1.14% and 1.90% as of June 30, 2021 and 2020, respectively. The intention is to keep the fair market value of the loan equal to its outstanding principal balance. Substantially all business assets of the Center have been pledged as collateral in connection with the loan agreements. The Center is scheduled to make total remaining principal payments of \$1,150,282 in annual installments of \$114,192 through June 2031. The remaining outstanding principal of \$8,362 will be retired through annual draws against the debt service reserve funds held in trust. Interest expense totaled \$947 and \$15,293 for the years ended June 30, 2021 and 2020, respectively.

Paycheck Protection Program - On April 8, 2020, the Center received a Paycheck Protection Program (PPP) loan in the amount of \$1,206,925, made available under the Coronavirus Aid, Relief, and Economic Security (CARES) Act. Provided the Center complied with applicable provisions of the CARES Act, the PPP loan was eligible to be forgiven in full. The Center initially recorded a note payable and subsequently recognized contribution income related to the debt forgiveness, in accordance with the guidance for recognizing conditional contributions, when the loan was forgiven in full by the U.S. Small Business Administration on May 3, 2021.

NOTE 10. LOANS PAYABLE (CONTINUED)

As of June 30, 2021, principal repayments on the MHEFA loan are due by fiscal year as follows:

		MHEFA
		 Loan
Year ending June 30,	2022	\$ 114,192
	2023	114,192
	2024	114,192
	2025	114,192
	2026	114,192
	Thereafter	579,322
		\$ 1,150,282

Revolving Line of Credit - The Center has a revolving demand line of credit agreement in the maximum principal amount of \$350,000, secured by substantially all of the Center's investments. As of June 30, 2021, no amounts had been drawn against the line.

NOTE 11. NET ASSETS

The Center has net assets both with and without donor restrictions, as described in more detail below. A summary of the Center's net assets as of June 30, 2021 and 2020 is as follows:

		June 3	0, 2021	
	Without Donor	With Donor	Restrictions	
	Restrictions	Temporary	Perpetual	Total
Endowment funds	\$ 2,219,261	\$ 2,703,728	\$ 3,779,479	\$ 8,702,468
Fund for Climate Solutions	500,000	3,498,746	-	3,998,746
Funds restricted for research				
and similar purposes	-	10,237,739	-	10,237,739
Time restricted contributions	-	300,000	-	300,000
Net investment in property and equipment	3,655,681	-	-	3,655,681
Operating funds	5,103,675			5,103,675
	\$ 11,478,617	\$ 16,740,213	\$ 3,779,479	\$ 31,998,309

NOTE 11. NET ASSETS (CONTINUED)

		June 30	0, 2020	
	Without Donor	With Donor	Restrictions	
	Restrictions	Temporary	Perpetual	Total
Endowment funds	\$ 1,802,488	\$ 1,485,166	\$ 3,774,279	\$ 7,061,933
Fund for Climate Solutions	500,000	3,407,645	-	3,907,645
Funds restricted for research				
and similar purposes	-	4,725,999	-	4,725,999
Net investment in property and equipment	3,814,758	-	-	3,814,758
Operating funds	3,765,413			3,765,413
	\$ 9,882,659	\$ 9,618,810	\$ 3,774,279	\$ 23,275,748

Net Assets without Donor Restrictions - Revenues are reported as increases in net assets without donor restrictions unless use of the related asset is limited by donor-imposed restrictions. All expenses are reported as decreases in net assets without donor restrictions.

Board Designated Funds

The Center's Board of Directors has designated a portion of net assets without donor restrictions to function as endowment and a portion to support expenditures from the Fund for Climate Solutions, for which the Center has also raised donor-restricted support. The objective of the Fund for Climate Solutions is to provide a financial bridge to a sustainable funding model while supporting mission-critical programs over a 10-year period as the Center adapts to anticipated changes in the availability of Federal government funding for its programs.

Net Investment in Property and Equipment

The Center has net assets without donor restrictions which are invested in property and equipment owned by the Center. The net investment in property and equipment consists of:

	2021	2020
Net property and equipment	\$ 4,794,283	\$ 5,067,728
Bond proceeds held in trust for debt retirement	11,680	12,678
Loans payable - current portion	(114,192)	(114,192)
Loans payable - long-term portion	(1,036,090)	(1,151,456)
	\$ 3,655,681	\$ 3,814,758

Net Assets with Temporary Donor Restrictions - Net assets with temporary donor restrictions as of June 30, 2021 and 2020 consist principally of research grants from private foundations and contributions for long-term purposes. Net assets with temporary donor restrictions result from

NOTE 11. NET ASSETS (CONTINUED)

gifts of cash or other assets with donor-imposed restrictions that require that such resources be used in a later period or after a specified date or that the resources be used for a specified purpose. The net assets will be released when spent for the appropriate purpose or upon expiration of a time restriction, in compliance with donor restrictions. Net assets with temporary donor restrictions as of June 30, 2021 and 2020 were subject to restriction as follows:

	2021	2020
Research grants from foundations and others	\$ 10,237,739	\$ 4,725,999
Fund for Climate Solutions	3,498,746	3,407,645
Time-restricted contributions	300,000	-
Unappropriated earnings on permanent endowments	2,703,728	1,485,166
	\$ 16,740,213	\$ 9,618,810

The following are the net assets released from donor-imposed restrictions during the years ended June 30, 2021 and 2020.

	2021	 2020
Research grants		
U.S. Government	\$ 2,432,362	\$ 2,793,888
Foundations and International	1,811,973	1,147,848
Fund for Climate Solutions	1,009,700	551,033
Appropriated earnings on permanent endowments	 -	 201,879
	\$ 5,254,035	\$ 4,694,648

Net Assets with Perpetual Donor Restrictions - The Center has received several contributions establishing permanent endowments. During 2002, the Center received a total of \$2.5 million from a single contributor that provides for a \$2 million endowment to fund the Sara Shallenberger Brown Chair of Environmental Policy. The primary focus of the Chair is to connect science, conservation, and human affairs nationally and internationally and to incorporate the findings of science into the decisions of governments. The remaining \$500,000 is to support the Center's general endowment, the earnings on which are available for general support. The Center has also received contributions to fund the George Woodwell Chair of Conservation and other smaller endowments. The Center may appropriate annually for operating purposes earnings on general endowment investments related to these gifts.

NOTE 11. NET ASSETS (CONTINUED)

Total net assets with perpetual donor restrictions are as follows at June 30, 2021 and 2020:

	2021	2020
Sara Shallenberger Brown Chair and Endowment	\$ 2,500,000	\$ 2,500,000
George Woodwell Chair of Conservation	1,034,379	1,034,379
General support	245,100	239,900
	\$ 3,779,479	\$ 3,774,279

Interpretation of Relevant Law

The Center is subject to the Massachusetts Prudent Management of Institutional Funds Act (MPFIFA) and, thus, classifies amounts in its donor-restricted endowment funds as net assets with donor restrictions. The original donor gifts are reported as net assets with perpetual donor restrictions as none of the donor-restricted endowments are currently underwater. These endowment funds are invested in a pool with all other investments of the Center. The returns on the endowment fund investments have been reported as increases in net assets with donor restrictions in the statements of activities. Unexpended earnings on these endowments are reported as net assets with temporary donor restrictions until appropriated for expenditure by the Center.

Return Objectives and Risk Parameters

The Center has adopted an asset allocation policy, monitored through its Investment Policy, that is a moderate balance of equities, fixed income and cash with a target of 60-70% equities and 30-40% fixed income. These change slightly as risk is monitored and the fund manager is given a target and 5% latitude for market impact and manager decisions. The equity investment style is an "All Cap Strategy" which is benchmarked to the S&P 1500. Equity performance, if applicable, is measured against the benchmark index over market cycle (typically 3-5 years). The equity portion of the portfolio uses a growth-at-a-reasonable-price discipline. The fixed income allocation may hold taxable government agency bonds and socially screened corporate bonds. Fixed income performance is benchmarked to the Barclay's Gov/Credit Interim Bond Index. Allocation percentages are meant to be soft guidelines rather than absolute portfolio mandates as described above. Investment goals are primarily capital appreciation and secondarily income generation at this time.

Spending Policies of the Endowments

Sara Shallenberger Brown Chair and Endowment - The donor requested that the investment income generated by the Chair and the endowment each year be used for general operations. For the years ended June 30, 2021 and 2020, the Board of Directors appropriated for expenditure \$-0- and \$134,220, respectively, of accumulated earnings.

NOTE 11. NET ASSETS (CONTINUED)

George Woodwell Chair of Conservation - The donors requested that the investment income generated by the Chair each year be used for general operations once the Chair reached a certain monetary level. For the years ended June 30, 2021 and 2020, the Board of Directors appropriated for expenditure \$-0- and \$55,367, respectively.

General Support Endowments - Investment income or loss are reported as changes in net assets with temporary donor restrictions until appropriated by the Board of Directors. For the years ended June 30, 2021 and 2020, the Board of Directors appropriated for expenditure \$-0- and \$12,292, respectively.

Change in Endowment Net Assets

The following table represents the changes in endowment net assets for the years ended June 30, 2021 and 2020:

	Without Donor	With Donor	Restrictions	
	Restrictions	Temporary	Perpetual	Total
Endowment net assets, June 30, 2019	\$ 1,802,488	\$ 1,388,343	\$ 3,699,079	\$ 6,889,910
Contributions/designations	-	-	75,200	75,200
Investment income	63,309	298,702	-	362,011
Appropriations	(63,309)	(201,879)		(265,188)
Endowment net assets, June 30, 2020	1,802,488	1,485,166	3,774,279	7,061,933
Contributions/designations	-	-	5,200	5,200
Investment income	416,773	1,218,562	-	1,635,335
Appropriations				
Endowment net assets, June 30, 2021	\$ 2,219,261	\$ 2,703,728	\$ 3,779,479	\$ 8,702,468

NOTE 12. PENSION PLAN

The Center has a contributory defined contribution pension plan covering substantially all full-time employees. Plan contributions are made on behalf of eligible employees through individual annuities with the Teachers Insurance and Annuity Association and College Retirement Equities Fund. The contributions are made on a semi-monthly basis at 10% of eligible compensation. Pension expense for the years ended June 30, 2021 and 2020 was \$533,154 and \$469,320, respectively.

NOTE 13. OPERATING LEASES

The Center leases certain office equipment under operating leases expiring through 2025. Rental expense for office equipment for the years ended June 30, 2021 and 2020 totaled approximately \$11,300 and \$10,900, respectively. Future minimum lease payments by fiscal year are due as follows:

Year ending June 30, 2022	\$ 8,090
2023	8,090
2024	8,090
2025	 2,583
Total	\$ 26,853

NOTE 14. SIGNIFICANT CONCENTRATIONS

Cash Balances - The Center maintains its operating cash at three financial institutions. The balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per institution. As of June 30, 2021, the Center's cash balances in excess of FDIC insurance coverage totaled approximately \$12.35 million. Included in other assets as bond proceeds held for debt retirement was an amount of \$11,680 which is not federally insured.

Major Contributors - The Center receives revenue from U.S. Government funded grants and cooperative agreements, all of which are subject to audit by government agencies. The ultimate determination of amounts received is based upon allowable costs reported to and audited by the government. Until such audits have been completed and final settlement reached, there exists a contingency to refund any amounts received in excess of allowed costs.

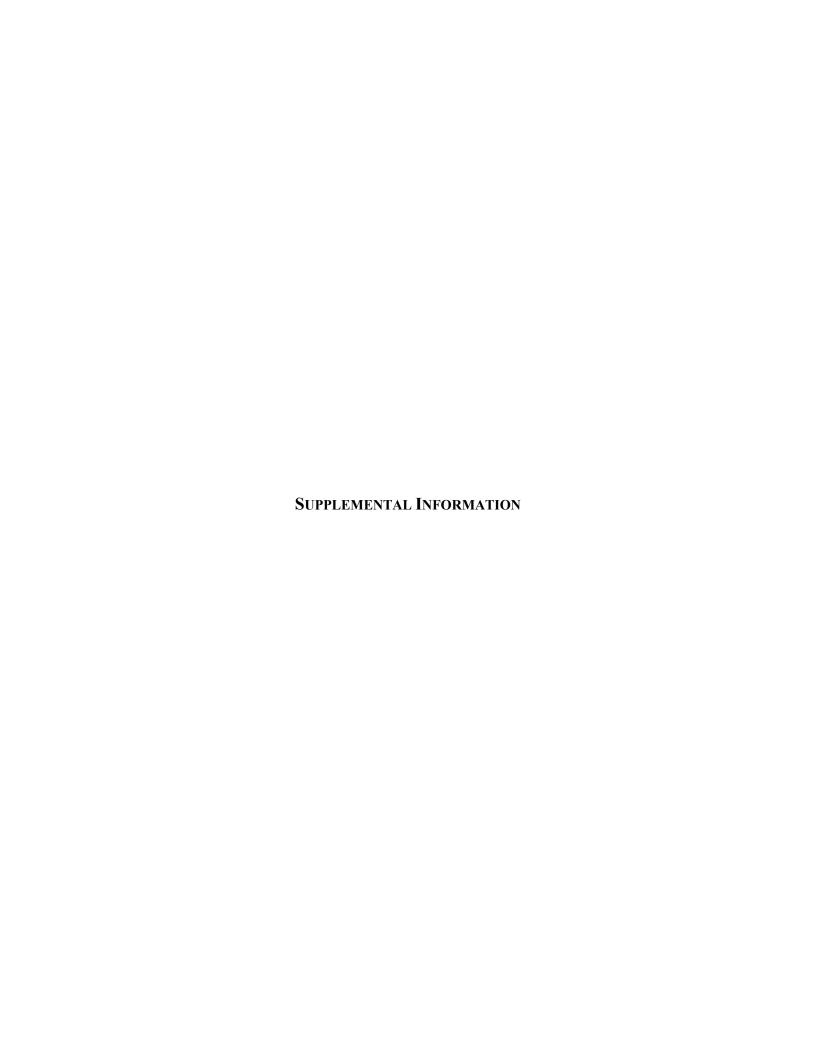

During the years ended June 30, 2021 and 2020, approximately 18% and 26%, respectively, of the Center's total support and revenue that increased net assets without donor restrictions was provided through grants and similar agreements with the U.S. Government.

NOTE 15. SIGNIFICANT UNCERTAINTIES

The COVID-19 pandemic, whose effects first became known in January 2020, is having a broad and negative impact on commerce and financial markets around the world. The extent of the impact of the pandemic on the Center's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak and its impacts on the Center's donors, employees and vendors, all of which, at present, cannot be determined. Accordingly, the extent to which the pandemic may impact the Center's financial position, changes in net assets, and cash flows is uncertain, and the accompanying financial statements include no adjustments relating to the effects of this pandemic.

NOTE 16. SUBSEQUENT EVENTS

All subsequent events have been evaluated through November 5, 2021, which is the date the financial statements were available to be issued and revealed no transactions or events requiring adjustment to or disclosure in the accompanying financial statements.

REPORT OF INDEPENDENT AUDITORS ON SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

Board of Directors Woodwell Climate Research Center, Inc.

Our report on our audit of the financial statements of Woodwell Climate Research Center, Inc. as of June 30, 2021 appears on pages 1-2. Our audit was made for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of the Center's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Notes to Schedule of Expenditures of Federal Awards

YEAR ENDED JUNE 30, 2021

NOTE 1. BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards includes the federal grant activity of Woodwell Climate Research Center, Inc. and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the financial statements.

NOTE 2. INDIRECT COSTS

Woodwell Climate Research Center, Inc. did not elect to use the 10% de minimis indirect cost rate either in awards received directly or indirectly nor on any awards passed through to subrecipients.

REPORT OF INDEPENDENT AUDITORS ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Woodwell Climate Research Center, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Woodwell Climate Research Center, Inc., which comprise the statements of financial position as of June 30, 2021 and 2020, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated November 5, 2021.

Internal Control over Financial Reporting

In planning and performing our audits of the financial statements, we considered Woodwell Climate Research Center, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Center's internal control. Accordingly, we do not express an opinion on the effectiveness of the Center's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Center's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion of the effectiveness of the Center's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Center's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

REPORT OF INDEPENDENT AUDITORS ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Directors Woodwell Climate Research Center, Inc.

Report on Compliance for Each Major Federal Program

We have audited Woodwell Climate Research Center, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Woodwell Climate Research Center, Inc.'s major federal programs for the year ended June 30, 2021. The Center's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Center's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Center's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Center's compliance.

Opinion on Each Major Federal Program

In our opinion, Woodwell Climate Research Center, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

Report on Internal Control over Compliance

The management of the Center is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Center's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Center's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of This Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Bethesda, MD November 5, 2021

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

YEAR ENDED JUNE 30, 2021

SUMMARY OF AUDIT RESULTS

- 1. The auditor's report expresses an unmodified opinion on the financial statements of Woodwell Climate Research Center, Inc.
- 2. No significant deficiencies relating to the audit of the financial statements are reported in the Report of Independent Auditors on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*.
- 3. No instances of noncompliance material to the financial statements of Woodwell Climate Research Center, Inc. were disclosed during the audit.
- 4. No significant deficiencies relating to the audit of internal control over major federal award programs are reported in the Report of Independent Auditors on Compliance for Each Major Program and on Internal Control Over Compliance Required by the Uniform Guidance.
- 5. The auditor's report on compliance for major federal award programs for Woodwell Climate Research Center, Inc. expresses an unmodified opinion.
- 6. There are no audit findings required to be reported in accordance with 2 CFR Section 200.516(a).
- 7. The program tested as a major program was Research and Development.
- 8. The threshold for distinguishing between Type A and Type B programs was \$750,000.
- 9. Woodwell Climate Research Center, Inc. qualified as a low-risk auditee.

FINANCIAL STATEMENT FINDINGS

None.

FEDERAL AWARD FINDINGS AND QUESTIONED COSTS

None.

Woodwell Climate Research Center, Inc.

Summary Schedule of Prior Audit Findings

Year Ended June 30, 2021

Finding 2020-001 Research and Development Cluster

Condition: The Center did not conduct a physical inventory of Federally-

acquired property as required under 2 CFR Section

200.312(d)(2). The Center normally conducts the required physical inventory in June of every other year. Due to the coronavirus pandemic, the Center's physical officers were closed, staff were working remotely, and it was not possible for the required inventory to be taken by the end of June

2020.

Recommendation: The auditors recommended that the Center conduct the

required physical inventory as soon as practicable after mitigation of the existing pandemic allows the Center's offices to reopen and staff to return from working remotely.

Current Status: The recommendation was adopted during the year ended

June 30, 2021, and no similar findings were noted in the

2021 audit.

Staff members physically counted all onsite assets then the Finance staff independently verified by physical observation. Finance staff verified offsite assets via serial numbers that matched existing records. All new assets purchased during FY 2021 have been entered into the accounting system, and assets that were no longer in service or disposed of since the time of the last physical inventory were removed from the

system. The inventory of Facilities equipment was

conducted on June 22, 2021; the inventory of Information Technology equipment was conducted on June 24, 2021; and the inventory of Research equipment was conducted on

June 25, 2021.
