INDEPENDENT AUDITORS' REPORT

Board of Managers Swarthmore College Swarthmore, Pennsylvania

Report on the Audit of the Consolidated Financial Statements *Opinion*

We have audited the accompanying consolidated financial statements of Swarthmore College (the College), which comprise the consolidated statement of financial position as of June 30, 2023, and the related statements of activities, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Swarthmore College as of June 30, 2023, and changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Swarthmore College and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the College's ability to continue as a going concern for one year after the date the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of the College's internal control. Accordingly, no such opinion is
 expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the College's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming opinion on the financial statements as a whole. The accompanying financial responsibility ratio supplemental schedule as required by the United States Department of Education and the schedule of expenditures of federal awards (collectively, the supplementary information) as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 9, 2023, on our consideration of Swarthmore College's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Swarthmore College's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Swarthmore College's internal control over financial reporting and compliance.

Prior Year Consolidated Financial Statements

Clifton Larson Allen LLP

The consolidated financial statements of Swarthmore College for the year ended June 30, 2022, were audited by other auditors whose report, dated October 14, 2022, expressed an unmodified opinion on those financial statements.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Swarthmore College (the College) is a private, nonprofit college of liberal arts and engineering located in Swarthmore, Pennsylvania. The College was incorporated in 1864 and founded by the Society of Friends. A board of managers governs the College. The College information presented in the consolidated financial statements comprises all the accounts of the College, including its institutes, centers, and programs. Intercompany balances and transactions between the College and its subsidiaries have been eliminated in consolidation.

Related Parties

The consolidated financial statements of Swarthmore College include a wholly-owned, for-profit company, Marjay Productions, Inc., which was a bequest from a donor. The purposes of Marjay Productions, Inc. are to hold copyrights of the donor's works and to receive royalties. Its financial operations are immaterial to Swarthmore College as a whole.

The consolidated financial statements of Swarthmore College also include a wholly-owned, for-profit, sole member Pennsylvania Limited Liability Corporation named Parrish LLC. The purpose of Parrish LLC is to operate an inn and restaurant facility in the Borough of Swarthmore, PA. Its financial operations are immaterial to Swarthmore College as a whole.

The board of managers includes representatives from both private and public sector industries. The College received gifts from members of the board of managers in 2023 and 2022.

Basis of Presentation

The College's consolidated financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America and reporting practices of not-for-profit entities. The statements have been prepared with the adopted principles of the Accounting Standards Codification (ASC) 958, Not-for-Profit Entities, which requires classification of net assets into two categories according to donor-imposed restrictions. The principles require that assets, revenues, gains, expenses and losses be classified as either net assets without donor-imposed restrictions or net assets with donor-imposed restrictions.

Net Assets Without Donor Restrictions – This classification includes all revenues, gains, expenses and losses not restricted by donors. All operating expenses are reported as decreases in net assets without donor restriction since the use of restricted contributions require the release of the restriction. Periodically donor restrictions related to net assets may be clarified or changed; such changes are reflected as fund transfers in the period in which they are identified.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Basis of Presentation (Continued)

Net Assets With Donor Restrictions – This classification of net assets are subject to donor-imposed restrictions that are either maintained in perpetuity or that will be met either by actions of the College or by the passage of time. Generally, a donor-imposed restriction is a stipulation that specifies the use of a contributed assets only for specific purposes. Some donor-imposed restrictions are temporary in nature, including gifts for capital projects or buildings not yet placed in service; annuity and life income gifts and pledges. Other donor-imposed restrictions are perpetual or permanent in nature, such as donor-restricted endowment funds.

Investment Gains and Losses

The investment gains and losses are reported as increases or decreases without donor restrictions unless their use is restricted by explicit donor stipulation. Appropriation by the College board of managers is a requirement for the use of investment income and gains for operations.

Operating Activities

Operating results in the consolidated statements of activities reflect all transactions increasing or decreasing net assets without donor restrictions except those items associated with long-term investment, capital gifts, non-periodic changes in postretirement benefit obligations, and other nonrecurring transactions.

Use of Estimates

The preparation of consolidated financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting periods. Significant estimates include the valuation of alternative investments, allowance for doubtful accounts and accrued employee benefits. Actual results could differ from those estimates.

Cash Equivalents

Cash equivalents are readily convertible to cash and have an original maturity date of three months or less from the date purchased. Pooled endowment fund cash and cash equivalents that are held for investment purposes are classified as investments (see Note 3).

Assets Restricted to Investment in Property and Equipment

Assets restricted to investment in property and equipment consist primarily of proceeds of tax-exempt bonds issued for the benefit of the College and limited by terms of the indentures to use for qualified capital projects. These assets consist of cash and cash equivalents and short-term investments, recorded at cost, which approximates fair value. Contributions restricted for the acquisition of property and equipment are also reported as assets restricted to investment in property and equipment until the contribution is utilized for their intended purpose.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Leases

Right-of-use assets (financed) include equipment leased by the College with a term greater than one year. The asset is depreciated over the remaining life of the lease. Right-of-use assets (operating) include property leased by the College with a term greater than one year. These assets are reduced when lease payments are made. Right-of use-assets have a related right-of-use liability.

Right-of-use liabilities (financed and operating) are recorded at their present value of the remaining lease payments using the rate of the lease terms, if known, or the College's incremental borrowing rate when the lease term rate is unknown. The rates range from 1.24% to 7.75%.

Property and Equipment

Property and equipment is stated at cost less accumulated depreciation. Expenditures for new construction, major renovations and equipment are capitalized. Depreciation is computed using the straight-line method over the estimated useful lives of building (60 years), building improvements (25 years), land improvements (15 years), and equipment (5 years).

Construction in progress is depreciated over the useful life of the respective assets once the asset is put into service. Operating expenses associated with the operation and maintenance of plant assets, as well as interest and depreciation expense, are allocated on the basis of square footage utilized by the functional classification of expense.

Works of art, historical treasures, and similar assets are recognized at their estimated fair value at the time of gift based upon appraisals or similar valuations. All material items, whether contributed or purchased, have been capitalized. Works of art, historical treasures, and similar assets are not subject to depreciation.

Long-lived assets to be held and used are reviewed for impairment whenever events or changes in circumstances indicate that the related carrying amount may not be recoverable.

Investments

Refer to Note 3 for the accounting and reporting policy for investments.

Tuition, Fees, and Scholarships

Revenue from student tuition and fees are recognized as revenue over the fiscal year for which educational services are provided. Tuition discounts in the form of scholarships and financial aid grants are reported as a reduction of revenues. Room and board revenue is recognized over the period it is earned as housing services and food services are provided. The College applies institutional aid as a discount to qualified tuition and fees. Student scholarships that are in excess of tuition and fees is applied as a discount to room and board revenue.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Tuition, Fees, and Scholarships (Continued)

At June 30, the student tuition, fees, room and board net of institutional aid was as follows:

	 2023	 2022
Student Tuition and Fees	\$ 100,249	\$ 93,698
Room and Board	27,505	26,711
Less: Student Aid	 (51,792)	 (47,282)
Student Tuition, Fees, Room and Board, Net	\$ 75,962	\$ 73,127

Contributions

Contributions of cash and other assets, including unconditional promises to give, are recognized as revenues in the period received. Contributions with donor-imposed restrictions that are not met in the same year as received or earned are reported as net assets with donor restrictions and are reclassified to net assets without donor restrictions when the donor-stipulated restrictions are met or purpose restrictions are satisfied. Contributions of assets other than cash are reported at their estimated fair value. Conditional promises to give are not recognized until the conditions are substantially met. Donated assets are recorded at estimated fair value at the date of the gift.

Contributions receivable are unconditional promises, recorded at present value net of any allowance for uncollectible contributions. The present value of pledges are determined using the applicable market rate in the period contributions are recognized, which ranges from 0.33% to 3.56%.

Conditional contributions including bequest intensions are not recognized as assets and if received, will be recorded as revenue in the period the condition is met. The College has federal awards which are considered conditional grants. Conditional grants from federal sponsored projects amounted to \$3,403 and \$4,652 as of June 30, 2023 and 2022, respectively.

Compensated Absences

Accrued compensation includes vacation time earned by hourly and staff employee, but not yet taken as of fiscal year-end. A staff employee is entitled to receive pay in lieu of vacation upon termination. Employees may accrue a maximum of 240 hours of vacation. Accrued vacation payable amounted to \$3,831 and \$3,413 as of June 30, 2023 and 2022, respectively.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

College Housing Programs

For employees who meet certain eligibility requirements, the College has rental, mortgage, and financing assistance programs. The goal of the programs is to attract and retain excellent faculty and staff. Beginning on January 1, 2018, the College's Mortgage Loan program was replaced with a forgivable subordinated loan program, the Home Purchase Assistance Program. The College will continue to service the former program's existing College-issued mortgages. These loans and mortgages are collateralized by deeds of trust on properties in the Philadelphia region. Management evaluates current economic conditions and collection history to determine if an allowance is necessary. Currently, there are no associated allowances for the receivables held under either program.

The former College Mortgage Loan program provided 20-, 25-, 30- or 40-year monthly amortizing first mortgages for homes within a specified distance to campus for faculty, instructional staff, and other staff members who meet certain eligibility requirements. Mortgages are to be paid off within 360 days of the termination of employment for any reason (death, retirement or severance). The interest rate on such mortgage loans is reviewed and updated on a quarterly basis.

The College Home Purchase Assistance program is a 10-year forgivable, subordinate loan of up to 10% of the appraised value (subject to a cap) for homes that are considered a primary residence within a specified distance to campus for faculty, instructional staff, and other staff members who meet certain eligibility requirements. Subordinate loans are to be paid off in full within 360 days of the termination of employment for any reason (death, retirement or severance). There is no interest charged on the loan.

The College owns a number of houses and apartments which are rented to faculty, instructional staff, and other staff members who meet certain eligibility requirements in the Borough of Swarthmore and surrounding campus communities.

Accounting Pronouncements Not Yet Adopted

In June 2016, Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-13, *Financial Instruments – Credit Losses (Topic 325)*. This ASU represents a significant change in the allowance for credit losses accounting model by requiring immediate recognition of manager's estimates of current expected credit losses. Under the current model, losses are recognized only as they are incurred, which FASB has noted delayed recognition of expected losses that might not yet have met the threshold of being probable. ASU No. 2016-13 is effective for fiscal years beginning after December 15, 2022, with early adoption permitted. The College is currently evaluating the standard to determine the impact it will have on its consolidated financial statements.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

The College has evaluated events and transactions for potential recognition or disclosure through October 9, 2023, the date the consolidated financial statements were available for issue. On July 12, 2023, the College issued \$125,000 aggregate principal of the 2023 Revenue Bonds (2023 Bonds) through the Swarthmore Borough Authority at a premium. The proceeds will refund Series 2013 and fund the cost of various tax-exempt capital projects.

NOTE 2 CONTRIBUTIONS RECEIVABLE

Contributions receivable at June 30 were as follows:

	2023			2022
Due in:		_		
Less than One Year	\$	5,082	\$	5,140
One to Five Years		1,773		2,691
More than Five Years		1,178		1,137
Total		8,033		8,968
Unamortized Discount		259		197
Allowance for Doubtful Contributions		(313)		(179)
Contributions Receivable, Net	\$	7,979	\$	8,986

NOTE 3 INVESTMENTS

The College reports all investments at fair value. The fair value of marketable equity and fixed income securities (which include both domestic and foreign issues) is generally based upon a combination of published market prices at the close of business on the last day of the fiscal year and exchange rates.

The fair value of investments for which published market prices are not available is based upon estimated values using discounted cash flow analysis or other industry standard methodologies.

Endowment investments include the College's permanent, term, and quasi-endowment funds. Although quasi-endowment funds have been established by the board of managers for the similar purposes as endowment funds, any portion of quasi-endowment funds may be expended upon approval by the board of managers.

NOTE 3 INVESTMENTS (CONTINUED)

Annuity, unitrust and life income funds periodically pay either the income earned or a fixed percentage of the assets to designated beneficiaries and terminate at a designated time, usually upon the death of the last designated income beneficiary. The College's remainder interest is then available for use by the College as designated by either the donor or the board of managers. The actuarial liability for the charitable gift annuities as of June 30, 2023 and 2022, is based on the present value of future payments discounted at rates that vary by participant from 0.6% to 7.6% based upon the 2012 IAR Mortality Table. The actuarial liability for the unitrusts as of June 30, 2023 and 2022, is based on the present value of future payments discounted at rates that vary by trust from 5% to 9% of the Annuity 2000 Mortality Table. The fair value of life income assets, invested in Level 1 equity or debt securities, is measured at fair value on a recurring basis at quoted market prices.

The endowment objective established by the board of managers is to provide a sustainable level of distribution in support of the College's annual operating budget while preserving the real purchasing power of the endowment before gifts. The endowment provides significant support of the College's operations; therefore, endowment policies seek to achieve stability and sustained growth in this support. The board of managers sets the level of distribution of endowment return annually.

The College has a unitization system for the management of endowments. All endowments are invested in a single pool of investment assets. Each separate endowment owns units in the investment pool, and the College determines the fair value of a unit on a quarterly basis. Gifts to an endowment fund create new units at the unit value in effect at the time of the gift. Changes in the unit value reflect changes in the fair value of endowment assets. Such changes arise from investment income, gains and losses and from the annual distribution to support each endowment's intended purpose. The board of managers sets the approved distribution annually, with a spending rate policy minimum of 3.5% and a maximum of 5.0%. The College follows endowment spending guidelines for its unitized investments, including quasi-endowment, that provides for regular increases in spending while preserving the long-term purchasing power of the endowment. Earnings available for spending are shown in operating revenue, and the balance of realized and unrealized gains or loss is shown as non-operating revenue.

The following table shows the endowment distribution for the years and unit value for the investment pool at June 30:

	Number of	Fair	Ir	ncome	
	Units	 Value	Distributions		
June 30, 2023	2,703,551	\$ 1,008.86	\$	44.68	
June 30, 2022	2,646,110	\$ 1,032.21	\$	41.00	

NOTE 3 INVESTMENTS (CONTINUED)

The fair value of assets associated with individual donor-restricted endowment funds may fall below the value of the gifts (i.e., underwater deficits). The College has a policy that permits spending from underwater endowment funds depending on the degree to which the fund is underwater, unless otherwise precluded by donor intent or relevant laws and regulation. When a donor endowment deficit exists, it is classified as a deficit with donor restrictions. For June 30, 2023 and 2022, there were underwater endowment funds of \$662 and \$524, respectively.

	 2023	 2022	
Fair Value of Underwater Endowment Funds	\$ 6,709	\$ 5,630	
Historic Dollar Value	 7,371	 6,154	
Total	\$ (662)	\$ (524)	

0000

0000

Net realized and unrealized gains on assets with restrictions that are permanent in nature are reported as nonoperating activities. The commonwealth of Pennsylvania has not adopted the Uniform Management of Institutional Funds Act (UMIFA); rather, the Pennsylvania Uniform Principal and Income Act (Pennsylvania Act) governs the investment, use, and management of the College's endowment funds. Commonwealth of Pennsylvania law permits the College to appropriate for expenditure each year a portion of these net realized gains up to 10% of the average of the past three years' fair value of resources required to be maintained in perpetuity. Pursuant to this commonwealth of Pennsylvania law, the board of managers has approved the reclassification of net realized gains of \$38,891 and \$32,955 for 2023 and 2022, respectively, as released from donor restriction.

A summary of investment activity at June 30 is as follows:

			Ar	nnuity and

NOTE 3 INVESTMENTS (CONTINUED)

The generally accepted hierarchy for fair value measurements is based on the transparency of information used in the valuation of an asset or liability as of the measurement date. In determining fair value, valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs. Certain investments that are measured at fair value using the net asset value per share or its equivalent (NAV) as a practical expedient have been categorized separately in the fair value hierarchy.

Level 1 – Quoted prices are available in active markets for identical investments as of the measurement date.

Level 2 – Pricing inputs, other than exchange-quoted prices in active markets, are either directly or indirectly observable as of the measurement date. Certain investments with structures similar to registered mutual funds may have readily determinable fair value if the NAV is determined, published and used as the basis for transactions.

Level 3 – Pricing inputs are unobservable and there is minimal (if any) market data.

The College's investment objectives guide its asset allocation policy and are achieved by investing with external investment management firms who utilize different investment strategies and operate through a variety of investment vehicles, including separate accounts, commingled funds managed by investment companies and limited partnerships. The College has investments in seven asset categories. Cash and cash equivalents are investments in short-term cash and money market instruments. These are able to be liquidated immediately or within 30 days. Fixed income includes investment in fixed income securities, such as U.S. Treasury bonds and Treasury Inflation-Protected securities. Public equity includes investment in publicly-traded stocks of domestic and international companies. Real assets include investments in real estate and natural resources. Private equity includes investments in buyouts, venture capital and distressed companies. Alternative strategies include investment in corporate direct lending, financial assets, and distressed debt and investments in multi-strategy hedge funds.

Other Investments	\$	2,211	\$	-	\$	401	\$	(721)	\$	1,891		

For the fiscal years ended June 30, 2023 and 2022, there were no transfers between levels within the fair value hierarchy.

NOTE 3 INVESTMENTS (CONTINUED)

The College has commitments to various limited partnerships. The College expects the majority of these funds to be called over the next four years with liquidity to be received over the next fifteen years. The following tables disclose the significant terms of the agreements with investment managers or funds by major category and value of outstanding commitments at June 30:

					2023	
			Ĺ	Infunded	Redemption	Redemption

Financial Assets Available at Year-End for		_		_
Current Use	\$	215,841	\$	210,909

The College has various sources of internal liquidity at its disposal including, cash, cash equivalents, marketable debt and equity securities. As part of the College's liquidity management, the College maintains no working capital lines of credit, but maintains capital allocations which provides liquidity of assets available to meet general expenditures as liabilities and other obligation come due. General expenditures consist of funding for the College's operating budget including debt obligation payments and funding for the annual capital renewal and replacement expenditures. The College's endowment funds consist of donor-restricted and quasi endowment funds. Income from donor-restricted endowments is restricted for specific purposes and therefore is not available for general expenditure. Although the College does not intend to spend from its guasi-endowment funds other than amounts distributed as part of the annual budget approval process, amounts from quasiendowment funds could be made available by the board of managers, if necessary. The College's quasi-endowment funds value was \$965 million and \$983 million at June 30, 2023 and 2022, respectively. Management estimates as of June 30, 2023 and 2022, the College's investments of \$618 million and \$664 million, respectively, have liquidity of under 30 days, while still subject to donor and endowment distribution restrictions.

NOTE 5 PROPERTY AND EQUIPMENT

Property and equipment at June 30 consisted of the following:

	2023			2022
Land	\$	5,783	;	\$ 5,783
Buildings and Improvements		712,379		663,277
Construction in Progress		48,767		48,067
Equipment		20,481		19,434
Works of Art, Historical Treasures, and				
Similar Asset		4,776		4,726
Total		792,186		741,287
Accumulated Depreciation		(229,532)		(217,272)
Property and Equipment, Net	\$	562,654	_ ;	\$ 524,015

Interest payments totaling \$1,154 and \$816 were capitalized in 2023 and 2022, respectively.

NOTE 6 DEFERRED PAYMENTS AND OTHER LIABILITIES

Deferred payments and other liabilities at June 30, 2023 and 2022, consisted of the present value of future payments due to or on behalf of employees and former employees under retirement and postretirement programs, donors under annuity and life income programs, conditional asset retirement obligations and conditional gifts.

	2023			2022
Charitable Gift Annuity Liabilities	\$	7,662	\$	7,918
Life Income and Unitrusts		9,579		7,600
Postretirement Health Benefit		14,217		15,001
Employees and Former Employees		6,315		7,434
Conditional Asset Retirement Obligations		1,282		1,242
Total	\$	39,055	\$	39,195

The College currently provides a postretirement health benefit in the form of a monthly stipend for the payment of medical premiums to all employees who meet certain eligibility requirements.

NOTE 6 DEFERRED PAYMENTS AND OTHER LIABILITIES (CONTINUED)

				320,350		329,870
Unamortized Bond Premium				41,823		45,281
Less: Deferred Financing Costs				(2,077)		(2,244)
Total Long-Term Debt			\$	360,096	\$	372,907

The College bond ratings by Moody's and Standard & Poor's were Aaa/AAA for the years ended June 30, 2023 and 2022. Deferred financing costs represent bond issuance costs that are amortized over the period to bond maturity. Amortization of bond premiums is based on an effective-interest method.

On August 4, 2021, the College issued \$71,870 aggregate principal amount of 2021B Revenue Bonds (2021B Bonds) through the Swarthmore Borough Authority at a premium. The proceeds were used to advance refund a portion of the 2011C Revenue Bonds, par value of \$11,595, to fund the costs of issuing the 2021B Bonds, and various tax-exempt capital projects.

NOTE 7 LONG-TERM DEBT (CONTINUED)

On August 4, 2021, the College issued \$21,720 aggregate principal amount of taxable 2021A Revenue Bonds (2021A Bonds) through the Swarthmore Borough Authority. The proceeds were used to advance refund a portion of the 2011C Revenue Bonds, par value of \$21,420, and to fund the costs of issuing the 2021A Bonds.

On July 10, 2018, the College issued \$93,000 aggregate principal of the 2018 Revenue Bonds (2018 Bonds) through the Swarthmore Borough Authority at a premium. The proceeds were used to fund various tax-exempt capital projects and to fund the costs for issuing the 2018 Bonds.

On August 4, 2016, the College issued \$21,375 aggregate principal amount of 2016 Revenue Bonds, Series B (2016B Bonds) through the Swarthmore Borough Authority at a premium. The proceeds were used fund various tax-exempt capital projects, and to fund the costs of issuing the 2016B Bonds.

On July 19, 2016, the College issued \$59,975 aggregate principal amount of 2016 Revenue Refunding Bonds, Series A (2016A Bonds) through the Swarthmore Borough Authority at a premium. The proceeds were used to advance refund the 2006A Revenue Bonds, par value of \$74,305, which were scheduled to mature on September 15, 2030, and to fund the costs of issuing the 2016A Bonds.

On July 14, 2015, the College issued \$54,940 aggregate principal amount of 2015 Revenue Bonds (2015 Bonds) through the Swarthmore Borough Authority at a premium. The proceeds were used to fund various tax-exempt capital projects and to fund the costs of issuing the 2015 Bonds.

On July 31, 2013, the College issued \$47,340 aggregate principal amount of 2013 Revenue Bonds (2013 Bonds) through the Swarthmore Borough Authority at a premium. The proceeds were used to refund the 2008 Revenue Bonds, par value of \$25,360, which were scheduled to mature on September 15, 2013, to refund the 2009 Revenue Bonds, par value of \$8,525, which were scheduled to mature on September 15, 2013 and to fund various taxexempt capital projects and to fund the costs of issuing the 2013 Bonds.

The College has a revolving line of credit with PNC Bank, NA totaling \$50,000 and \$25,000 as of June 30, 2023 and 2022, respectively. The line of credit is secured by the College's unrestricted revenues and has an expiration date of June 30, 2024. The line of credit bears interest at the Bloomberg Short-Term Bank Yield rate plus 35 basis points. There were no amounts outstanding as of June 30, 2023 and 2022.

NOTE 7 LONG-TERM DEBT (CONTINUED)

Debt principal payments on all borrowings as of June 30, 2023, are as follows:

Year Ending June 30,	Amount			
2023-2024	\$	9,895		
2024-2025		10,285		
2025-2026		10,960		
2026-2027		11,390		
2027-2028		11,885		
Thereafter		265,935		
	\$	320,350		

NOTE 8 RETIREMENT BENEFITS

Retirement benefits for all eligible employees of the College are individually funded and vested under a defined contribution Sec. 403(b) retirement plan (the Plan) with Teachers Insurance and Annuity Association of America (TIAA), or Vanguard Group of Investment Companies. Under this arrangement, the College makes monthly contributions as defined in the Plan to the accounts of all employees. The College's contributions under this Plan are included in operating expenses and were \$7,644 and \$6,860 in 2023 and 2022, respectively.

The College has a Sec. 457 non-qualified deferred compensation plan for senior management employees. Participants elect to defer compensation, which is invested with TIAA or the Vanguard Group of Investment Companies and is considered College property until the employee withdraws the funds due to emergency, termination, or retirement. The participants' contributions are subject to the general creditors of the College, so the invested asset is offset by a corresponding liability in the amounts of \$1,117 and \$1,131 at June 30, 2023 and 2022, respectively. The College does not record transaction activity as revenue or expense. The investments are reported at fair value.

NOTE 9 NET ASSETS

Net assets at June 30 were designated or allocated to the following:

June 30, 2023		hout Donor estrictions		ith Donor		Total

Certain amounts have been transferred out of net assets without donor restrictions and into net assets with donor restrictions as a result of donor restrictions on matching gifts, unspent investment return added to principal, and clarifications of donors' restrictions.

As of June 30, 2023 and 2022, there were no donor-related endowment funds for which the fair value of assets is less than the level required by donor stipulations. The corpus of true endowment funds that are part of the donor-restricted endowment funds as of June 30, 2023 and 2022, were \$242,933 and \$240,207, respectively.

NOTE 9 NET ASSETS (CONTINUED)

Changes to the reported amount of the College's true endowment funds and associated appreciation as of June 30 are as follows:

	 thout Donor estrictions	-	Vith Donor estrictions		Total

NOTE 10 FUNCTIONAL EXPENSES

The College's functional expenses are presented in accordance with the functions attributable to one or more program or administration of the College. Each functional classification is categorized related to the underlying operations by natural classification. Allocation of depreciation, plant operations and management, utilities, debt interest expense are allocated to programs based on the square footage assigned to College programs.

Functional expenses for the years ended June 30 are as follows:

													Op	erations	
			Α	cademic	S	Student	Ins	titutional	Α	uxiliary	Res	earch and		and	2023
	ln:	struction	,	Support	Services		5	Support	Activities		Public Service		Maintenance		Total

Direct fundraising expenses were \$10,762 and \$10,404 for the years ended June 30, 2023 and 2022, respectively, and are included in institutional support in the tables above.

NOTE 11 INCOME TAX

The College has been granted tax-exempt status as a non-profit organization under Section 501(c)(3) of the Internal Revenue Code (IRC) and, accordingly, files federal tax Form 990 (Return of Organization Exempt from Income Tax) annually. The College also files federal tax Form 990-T (Exempt Organizations Business Income Tax Return).

The College is subject to federal excise taxes imposed on private colleges and universities if certain conditions are met. The excise tax is imposed on net investment income, as defined under federal law which includes interest, dividends, and net realized gains on the sale of investments. The College is subject to the excise tax for 2023 and 2022 at a 1.4% excise tax rate for the tax years ended December 31, 2022 and 2021. The current liability of the excise tax for June 30, 2023 and 2022, is \$2,025 and \$2,020, respectively. As of June 30, 2023 and 2022, there were no deferred excise tax expenses resulting from net unrealized gains (and losses) on investments.

Marjay Productions, Inc. is a for-profit corporation subject to federal income taxes under the IRC. Through June 30, 2023, this corporation has no significant outstanding tax obligations.

Parrish LLC is a for-profit corporation subject to federal income taxes under the IRC. Through June 30, 2023, this wholly-owned, sole member Pennsylvania Limited Liability Corporation has not generated any taxable income.

In accordance with the guidance on accounting for uncertainty in income taxes, management regularly evaluates its tax positions and does not believe the College has any uncertain tax positions that require disclosure or adjustment in the financial statements. The College continually monitors and evaluates its activities for unrelated business income activity.

NOTE 12 COMMITMENTS AND CONTINGENCIES

In the ordinary course of business, the College occasionally becomes involved in legal proceedings. While any legal proceeding or litigation has an element of uncertainty, management believes that the outcome of all current pending or threatened actions will not have a material adverse effect on the business or financial condition of the College. As of June 30, 2023 and 2022, the College had outstanding commitments for construction contracts and purchase orders of \$110,342 and \$33,756, respectively.

NOTE 13 COMPOSITE SCORE

Primary Reserve Ratio:

The College participates in various federally funded student financial aid programs. Under regulatory provisions of these programs, the College is required to demonstrate financial responsibility by meeting a certain composite score based on a formula developed by the Department of Education. The score uses financial ratios based on the College's audited financial statements. The composite score calculated reflects the overall relative financial health of institutions along a scale of negative 1.0 to positive 3.0.

The composite score for the year ended June 30, 2023:

Expendable Net Assets	\$ 1,024,721			
Total Expenses/Losses	\$ 220,771	4.64

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Managers Swarthmore College Swarthmore, Pennsylvania

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Swarthmore College, which comprise the consolidated statement of financial position as of June 30, 2023, and the related consolidated statements of activities, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated October 9, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered Swarthmore College's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of Swarthmore College's internal control. Accordingly, we do not express an opinion on the effectiveness of Swarthmore College's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Swarthmore College's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Swarthmore College's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Swarthmore College's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Managers Swarthmore College Swarthmore, Pennsylvania

Report on Compliance for Each Major Federal Program Opinion on Each Major Federal Program

We have audited Swarthmore College's (the College) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the College's major federal programs for the year ended June 30, 2023. The College's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the College complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the College and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the College's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the College's federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the College's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the College's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the College's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the College's internal control over compliance relevant to the audit
 in order to design audit procedures that are appropriate in the circumstances and to test and
 report on internal control over compliance in accordance with the Uniform Guidance, but not for
 the purpose of expressing an opinion on the effectiveness of the College's internal control over
 compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Other Matters

The results of our auditing procedures disclosed instances of noncompliance, which are required to be reported in accordance with the Uniform Guidance, and which are described in the accompanying schedule of findings and questioned costs as items 2023-001 and 2023-002. Our opinion on each major federal program is not modified with respect to these matters.

Government Auditing Standards requires the auditor to perform limited procedures on the College's responses to the noncompliance findings identified in our compliance audit described in the accompanying schedule of findings and questioned costs. The College's responses were not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the responses.

Report on Internal Control Over Compliance

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, as discussed below, we did identify deficiencies in internal control over compliance that we consider to be significant deficiencies.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance. We consider the deficiencies in internal control over compliance described in the accompanying schedule of findings and questioned costs as items 2023-001 and 2023-002 to be significant deficiencies.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

Government Auditing Standards requires the auditor to perform limited procedures on the College's responses to the internal control over compliance findings identified in our audit described in the accompanying schedule of findings and questioned costs. The College's responses were not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the responses.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

SWARTHMORE COLLEGE NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS JUNE 30, 2023

NOTE 1 BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards (the Schedule) includes the federal grant activity of Swarthmore College (the College). The information in this Schedule is presented on the accrual basis of accounting in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Therefore, some information presented in this Schedule may differ from amounts presented in or used in the preparation of the financial statements. The College applies its predetermined approved facilities and administrative rate when charging indirect costs to federal awards rather than the 10% de minimis cost rate as described in Section 200.414 of the Uniform Guidance.

For purposes of the Schedule, federal awards include all grants, contracts and similar agreements entered into directly between the College and agencies and departments of the federal government and all sub-awards to the College by non-federal organizations pursuant to federal grants, contacts and similar agreements.

NOTE 2 FEDERAL DIRECT STUDENT LOAN PROGRAM (FEDERAL ASSITANCE LISTING #84.268)

The College is responsible for the performance of certain administrative duties with respect to the Federal Direct Loan Program (Federal Stafford, Federal Parents Loans for Undergraduate Students and Unsubsidized Federal Stafford Loans). These loan programs collectively are Assistance Listing #84.268. It is not practical to determine the balance of loans outstanding to students and former students of the College under these generally guaranteed loan programs at June 30, 2023.

NOTE 3 FEDERAL PERKINS LOAN PROGRAM (FEDERAL ASSISTANCE LISTING #84.038)

The loan program noted above is administered directly by the College and balances and transactions relating to these programs are included in the College's financial statements. The amount of Federal Perkins Loans outstanding at June 30, 2023 totaled \$8,224. Loans outstanding at the beginning of the year are included in the federal expenditures presented in the Schedule.

NOTE 4 FEDERAL EMERGENCY MANAGEMENT AGENCY PUBLIC ASSISTANCE GRANT (FEDERAL ASSISTANCE LISTING #97.036)

Expenditures reported on the Schedule as of June 30, 2023 represent costs that were incurred in a prior year. Totals costs incurred prior to fiscal year ending June 30, 2023 were \$2,044,096.

SWARTHMORE COLLEGE SCHEDULE OF FINDINGS AND QUESTIONED COSTS (CONTINUED) YEAR ENDED JUNE 30, 2023

Section II – Financial Statement Findings

Our audit did not disclose any matters required to be reported in accordance with *Government Auditing Standards*.

Section III – Findings and Questioned Costs – Major Federal Programs

2023 – 001 – Return of Title IV Funds (R2T4) Scheduled Breaks

Federal Agency: U.S. Department of Education

Federal Program Name: Student Financial Assistance Cluster

Federal Assistance Listing Number: 84.007, 84.033, 84.038, 84.063, 84.268

Award Period: 7/1/2022 - 6/30/2023

Type of Finding: Significant Deficiency in Internal Control over Compliance, Other Matters

Criteria or specific requirement: Per U.S. Department of Education (ED) regulations, scheduled breaks of five or more consecutive days are excluded from the R2T4 calculation as periods of nonattendance and, therefore, do not affect the calculation of the amount of Title IV aid earned. When classes end on a Friday and do not resume until Monday following a one-week break, both weekends (four days) are excluded from the calculation. (34 CFR 668.22(f)(2)(i) and (ii)(B))

Condition: During our testing, we noted the College did not remove four days associated with the weekends from the R2T4 calculations for scheduled breaks.

Questioned costs: \$43

Context: During our testing, we noted the College did not correctly factor in scheduled breaks to the R2T4 calculations. Since class ended on a Friday and did not resume until the following Monday, both weekends (an additional 4 days) should have been included in the total number of days when excluding them from the calculation. As a result, three students out of a sample of five selected for testing did not have the correct number of days factored into their R2T4 calculations.

Cause: The College did not include the correct number of days for scheduled breaks in the R2T4 calculations.

Effect: The College did not complete an accurate calculation as defined by Federal regulations, resulting in a return of more aid than required.

Repeat Finding: No.

Recommendation: We recommend the College evaluate its policies and procedures surrounding the completion of R2T4 calculations to ensure scheduled breaks are properly factored into calculations.

Views of responsible officials: There is no disagreement with the audit finding.

SWARTHMORE COLLEGE SCHEDULE OF FINDINGS AND QUESTIONED COSTS (CONTINUED) YEAR ENDED JUNE 30, 2023

Section III – Findings and Questioned Costs – Major Federal Programs (Continued)

2023 - 002 - National Student Loan Data System (NSLDS) Reporting

Federal Agency: U.S. Department of Education

Federal Program Name: Student Financial Assistance Cluster

Federal Assistance Listing Number: 84.063, 84.268

Award Period: 7/1/2022 - 6/30/2023

Type of Finding: Significant Deficiency in Internal Control over Compliance, Other Matters

Criteria or specific requirement: Per U.S. Department of Education (ED) regulations, all schools participating (or approved to participate) in the Federal Student Aid programs must have an arrangement to report student enrollment data to the NSLDS through a Roster file.

The school is required to report enrollment status at both the school and program level. The school is required to report changes in the student's enrollment status, the effective date of the status and an anticipated completion date. An academic program is defined as the combination of your school's Office of Postsecondary Education Identification (OPEID) number and the program's Classification of Instructional Program (CIP) code, credential level, and published program length. The ED requires institutions to report changes in enrollment status and indicate the date that the changes occurred. (34 CFR 685.309)

Condition: Enrollment effective dates reported at the program and campus level did not agree.

Questioned costs: N/A

Context: We noted one student out of a sample of fifteen students tested whose program level enrollment effective date did not agree to the effective date at the campus level.

Cause: There was a defect in the report utilized by the College to submit the enrollment information to the NSLDS.

Effect: Inaccurate reporting to the NSLDS can result in incorrect determination of when the student's grace period should begin.

Repeat Finding: No.

Recommendation: We recommend the College evaluate its policies and procedures in overseeing submissions to the NSLDS. In addition, we recommend the College review its policies and procedures on reporting enrollment information to the NSLDS to ensure all relevant information is being captured on reports utilized to submit data to the NSLDS.

Views of responsible officials: There is no disagreement with the audit finding.

CARRIE L. DIENNA Controller Phone 610-328-7686 Fax 610-328-8691 cdienna1@swarthmore.edu

Department of Education

Swarthmore College respectfully submits the following corrective action plan for the year ended June 30, 2023.

Audit period: July 01, 2022 - June 30, 2023

The findings from the schedule of findings and questioned costs are discussed below. The findings are numbered consistently with the numbers assigned in the schedule.

FINDINGS—FINANCIAL STATEMENT AUDIT

No findings over financial statement audit.

FINDINGS—FEDERAL AWARD PROGRAMS AUDITS

Department of Education

2023-001 Stude

Student Financial Assistance Cluster – Federal Assistance Listing Numbers 84.007, 84.033, 84.038, 84.063, 84.268

Recommendation: We recommend the College evaluate its policies and procedures surrounding the completion of R2T4 calculations to ensure scheduled breaks are properly factored into calculations.

Explanation of disagreement with audit finding: There is no disagreement with the audit finding.

Action taken in response to finding: Swarthmore College utilizes the Return of Title IV Funds Calculation Web Tool available through the Department of Education's (DOE) Common Origination and Disbursement (COD) site to calculate the amount of federal funds needing to be returned to the DOE when a student withdraws during a semester. Upon the withdraw of an eligible student, two Financial Aid professionals review the calculation of the return of Title IV funds. In addition, Financial Aid will have two professionals review the initial set up of semesters, dates and cost configurations in the COD Return of Title IV Funds Calculation Web Tool.

Please note, each year, Swarthmore College has less than five students withdraw resulting in a return of Title IV Funds Calculation. The 2022-23

finding impacted three students with less than \$100 of Title IV funds per student returned to the DOE.

Name of the contact person responsible for corrective action: Judy Strauser, Director of Operations, Financial Aid

Planned completion date for corrective action plan: Fall 2024

2023-002 Student Financial Assistance Cluster – Federal Assistance Listing Numbers 84.063, 84.268

Recommendation: We recommend the College evaluate its policies and procedures in overseeing submissions to the NSLDS. In addition, we recommend the College review its policies and procedures on reporting enrollment information to the NSLDS to ensure all relevant information is being captured on reports utilized to submit data to the NSLDS.

Explanation of disagreement with audit finding: There is no disagreement with the audit finding.

Action taken in response to finding: The Registrar's office has contacted the SIS vendor, Ellucian, to report this issue. Ellucian has acknowledged that the inconsistency in the graduation dates is a result of a defect in the software. They have created a defect report to this effect. The Registrar's office will spot-check graduation dates on the NSC report. The Registrar's office will also research the feasibility of standardizing graduation dates across the board. This would entail additional manual intervention which the office is striving to move away from.

Names of the contact persons responsible for corrective action: Usha Jenemann, Associate Registrar and Kristen Smith, Registrar

Planned completion date for corrective action plan: Fall 2024

If the Department of Education has questions regarding this plan, please call Carrie DiEnna, Controller, Swarthmore College at 610-328-7686.
