Re: Uniform Guidance 2 CFR Part 200 Subpart F Audit Requirements for June 30, 2018.

In accordance with the requirements described in Uniform Guidance 2 CFR Part 200 Subpart F Audit Requirements we are providing this written notification to you for the Federal award(s) of which Virginia Polytechnic Institute and State University (Virginia Tech) is a subrecipient from your organization. Virginia Tech is writing to inform you of the following:

- An audit for fiscal year July 1, 2017 through June 30, 2018 was conducted in accordance with Uniform Guidance 2 CFR Part 200 Subpart F Audit Requirements.
- The Schedule of Findings and Questioned Costs disclosed no audit findings relating to the Federal award(s) provided by your institution.
- The Summary Schedule of Prior Year Audit Findings did not report any audit findings relating to the Federal award(s) provided by your institution.

Virginia Tech is covered in the Commonwealth of Virginia Single Audit Report; the audit report for the year ended June 30, 2018 can be found at <http://www.apa.virginia.gov/reports/CommonwealthOfVirginiaSingleAudit18.pdf>. The Commonwealth did NOT qualify as a low-risk auditee; however, there are no findings or questioned costs for Virginia Tech. This completes our subrecipient reporting requirements under Uniform Guidance 2 CFR Part 200 Subpart F Audit Requirements. Should you require any additional information, please contact Vanessa Hall at (540) 231-9377 or [subawards@vt.edu](mailto:subawards@vt.edu).

Sincerely,

Trudy M. Riley  
Associate VP for Research and Innovations,  
Sponsored Programs
