Dear Taxpayer:

This is in response to your July 09, 2008, request for information about your Employer Identification Number (EIN).

Our records indicate that you have been assigned EIN 22-3011455. Please keep this number in your permanent records. Your name and EIN, as shown above, should be entered on all Federal income tax forms, as well as all correspondence or documents submitted to the IRS. Other government agencies may also require you to provide your EIN on forms you submit to them.

An EIN does not indicate that a non-profit organization is tax-exempt. Organizations that want to be recognized as exempt from Federal income tax must file Form 1023 or Form 1024, with limited exceptions. Visit our website at www.irs.gov/eo for additional information about applying for tax exempt status, as well as forms, publications and instructions. Publication 557, Tax-Exempt Status for Your Organization, provides general information about tax-exempt organizations. Publication 4220, Applying for 501(c)(3) Tax-Exempt Status, provides specialized information for charitable organizations. You may also request forms and publications by calling our toll-free number 1-800-829-3676 (1-800-TAX-FORM). For further information, see the Life Cycle of a Public Charity and Life Cycle of a Private Foundation on our website at www.irs.gov/eo.
